Don't let the rain stop you from playing.

Sport-Savers field maintenance supplies ensure that the game is still on.

Before It Rains

Use Sport-Saver mats to cover the bases and the pitcher's mound to keep field areas dry.

After It Rains

Use Sport-Saver socks and pillows to quickly soak up puddles.

Absorbent Specialty Products, LLC. 51 Abbott St. Suite # 2, Cumberland, RI 02864

SPORT SAVERS ™

Soak up field water in minutes!

GAME ON!

Use socks along bench and near dugout

Use pillows on larger puddles & problem areas

Reusable mats cover problem areas for easy removal

Save the game with Sport-Savers™
Go from game off, to game on within 5 minutes!

- Convenient & portable
- Quick, easy and economical
- No need to rake in heavy fillers
- Prevents mud build-up
- Environmentally friendly

Got Puddles?

Pillows (5 pack)
Lay in puddles to absorb, swell and remove 3 gallons/pillow!

BEFORE   DURING   AFTER

Socks (4 pack)
Lay in water soaked trenches to absorb, swell & remove 1.5 gallons/sock!

BEFORE   DURING   AFTER

Expecting rain?

Mats (Reusable 6' x 6' and 6' x 8')
Place over areas to absorb moisture from below while collecting water on top for easy removal.

Rubber top traps water for easy removal

Absorbent layer draws moisture from the soil

Simply carry mat off and reuse

Need Filler?

Granular Cellulose (1 cu. ft./bag)
Spread it, Drag it & You're Done!

Quickly absorb water in problem areas with this lightweight, non-abrasive biodegradable filler.
